

*Civil engagement, integration and better management of the national intangible heritage to raise awareness of European common values – EU context, perspectives and active citizenship*

## ABOUT THE PROJECT

INThrace promotes civic engagement, integration and the improved management of intangible cultural heritage at national level, with the aim of raising awareness of European common values and encouraging active citizenship.

## OBJECTIVES

To raise awareness and increase appreciation of intangible cultural heritage.

To develop educational resources and innovative training programmes.

To strengthen collaboration between academic institutions, cultural organisations and communities.

To promote European values, cultural diversity and active participation of citizens.
